

→ Yahya Khan, Bhutto & Rehman could not reach an agreement.

→ Civil war broke out in **1971**

→ This result to break-up of Pakistan.

→ With Indian's help, creation of Bangladesh, **16 December 1971**.

→ Yahya Khan was forced to resign & Bhutto became Martial law Administrator & President.

~~1972 to 19~~

• **Non-Partisan Elections:-**

Ans Non-Partisan elections means that people can run for office without being part of a political party.

On ballot, there are no names, stating which party someone belongs to. Instead, people running for a position try to show that they are best choice by talking about their own skills and ideas.

We want to make elections more fairer by giving voters more options and taking away power from political parties.
